Conclusion about the reply brief

The Brief offers no Genuine reasons in support of a dismissal. It is an attempted to provide confusing legal analysis homogenizing several inadvertent fact of libel, claims and interpretation of understanding as plausible reason for a dismissal of the complaint. Libel are not grounds made in the complaint nor are claims made for monetary compensation. Declaration or injunction relief sought is in the complaint. The Office in default after abridgment of 1st and 4th amended where relief or declaration could have been made with in 10 days.
